3. Sofa cushions are turned over once a week to evenly distribute wear.
4. If stained, use a clean cloth dipped in water to wipe. In order to avoid leaving marks, it is best to wipe from the periphery of the stain. Velvet furniture should not be dipped in water and should use a dry cleaning agent.
5. All cloth covers and bushings should be dry-cleaned, not washed, not bleached.
6. If you find loose thread, do not tear it with your hand; it is best to cut the thread neatly with scissors.
